Statement of Fraud or Intentional Misrepresentation

Each Member must notify the Plan Administrator immediately of the date the Member knew or should have known that information either:

1. Contained in the enrollment form pertaining to the Member or any individual related to the Member receiving or seeking benefits under the Plan, or
2. Related to a claim for benefits, or
3. Has become incorrect due to an affirmative statement of information, an omission of information, or a change in circumstances.

The Plan Administrator may rescind or cancel the coverage of a Member and/or each individual enrolled in the Plan under the Member upon thirty (30) days prior written notice if the Plan Administrator determines that the Member or individual made an intentional misrepresentation of material fact or was involved in fraud concerning any matter relating to eligibility for coverage or claim for benefits under the Plan.

Coverage for each individual identified in a Notice of Rescission of Coverage will be rescinded as of the date specified in the Notice of Rescission of Coverage, which may be to the effective date of individual's coverage. The Member and any individual involved in the misrepresentation or fraud may be liable for all claims paid by the Plan on behalf of such individuals.

By signing this form, I am attesting that my dependents are eligible for coverage according to the dependent eligibility rules as defined in the Summary of Benefits or applicable labor agreement or compensation plan. I understand the attempted or actual enrollment of ineligible dependents may be considered fraud or intentional misrepresentation of a material fact. I further understand, that both myself and any individual involved in fraud or intentional misrepresentation of a material fact, may be liable for all claims paid by the Plan on behalf of such individuals and may be subject to employment discipline, up to and including discharge and may also be subject to criminal penalties. If paid through the State of Minnesota central payroll system, I authorize payroll deductions for my share of the premiums on a before-tax basis.

I understand I must notify the SEGIP if my spouse or dependent's eligibility for insurance changes.

Dependent Coverage Restrictions. If both spouses work for the State or another organization participating in SEGIP, either spouse, but not both, may cover their eligible dependent children or grandchildren. This restriction also applies to two divorced, legally separated, or unmarried employees who share legal responsibility for their eligible dependent children. If both spouses work for the State or another organization participating in SEGIP, neither spouse may be covered by the other as a dependent by the other unless one is not eligible for a full employer contribution as defined in the contracts. This also applies to dependents eligible for coverage under SEGIP through their own employment, with another organization or agency that participates in SEGIP.

Ex-Spouse Policy

When an employee divorces his/her spouse state law requires that the ex-spouse be allowed to continue as a SEGIP member. To be eligible the ex-spouse must be on the employee's family policy at the time of the divorce (a spouse may not be removed from the plan in anticipation of a divorce). If the employee has claimed no dependents other than the ex-spouse at the time of the divorce, or when all children in common lose their eligibility, the employee may cancel family coverage and the ex-spouse will remain in SEGIP as a paying member. The ex-spouse continues to be covered even if the employee remarries; an employee may cover both the current and ex-spouse. Newly hired employees and newly insurance eligible employees may not cover an ex-spouse. The ex-spouse will lose eligibility if either of the following occur:

1. The ex-spouse acquires other group health insurance that has no pre-existing condition exclusion.
2. The ex-spouse requests to be taken off the employee's policy.
